Tell us a little bit about yourself?

I am 18 years old, currently getting ready for my second winter season. Pretty much, I do nothing but ski, if I am not skiing then I am working to save up to go skiing.

What are your plans for this season?

This season I plan to travel to Park City, Utah, for 6 weeks with Mike Wakefield to train and compete before coming back to do the European competitions until the end of May 2006.

So what competitions will we see you at?

I will be doing some random competitions in the USA (any I can get to it's a big place) but in Europe I will be doing:

- ISPO Camelbak Rail Jam
- Val 'D' Isere Xbox Big Day Out
- AVAJAAM in Avoriaz
- The Orange British Championships in Laax
- The Orange European Open in Laax
- Snowbombing in Mayrhofen

Where do you see yourself in 5 years time?

In the next 5 years I want to have made a name for myself on the European Circuit and also to start doing more International Competitions on both sides of the Atlantic. I also want to get more involved with both filming and editing ski movies.

Is there anyone you would like to thank?

I would like to give my Dad a big thank you for all the hard work he puts in for me and my skiing, to make sure I don't fail.
